

# Rod-Mounted Valance Installation Instructions

Rod Pocket  
Tab Top

Let's get excited about your new valances. Please take a few minutes to review these simple steps so your valances will be hanging beautifully in no time.

## Before You Begin

Read through all the instructions before you begin.

Carefully remove your valance from the packaging. Use caution not to damage the fabric while opening the inner packaging. Keep all the packaging until the end of installation in case you need to return your valance.

Make sure that the rod you are using fits easily inside the pocket or tabs on the top of your valance.

Please contact Customer Care at 1-800-256-5005 if you need assistance.

## Valance Installation

### Step 1

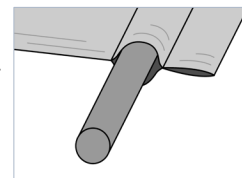

**New valance hardware installation:** install new hardware following the hardware installation instructions. Leave one finial off and do not lock rod on the mounting brackets.

**Existing valance hardware:** detach the valance rod from the brackets and remove one of the finials. Remove old valance (if necessary).

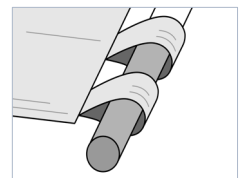

### Step 2

Slide the rod through the pocket or tabs at the top of the valance.

If your valance has a flange, it will have 2 pockets on the top of the valance. In this case use the second pocket from the top to insert the valance rod.

### Step 3

Once the valance is in place, install the last finial and permanently attach and lock your rod according to the hardware installation instructions.

### Step 4

Make folds and space out folds or tabs evenly to achieve the desired look.

## Valance Care

Once the valance is installed and dressed, most wrinkles and folds will hang out on their own within 1 - 2 weeks. A garment steamer may also be used to help smooth out the wrinkles. Please take care not to overheat the fabric while removing wrinkles. You also can use a wrinkle release spray like Downy® Wrinkle Releaser.

Certain fabrics like silks or linens have natural characteristics that steaming will not remove.

Please contact Customer Care at 1-800-256-5005 if you have additional questions about how to care for your valances.

Thank you for choosing Regal Drapes. We are proud to make your valances with careful attention to every detail. We hope you enjoy your valances for many years to come.
